The Board of Appeal was constituted by the appointment of the Hon. George W. Johnson, of the Council, to serve with the Treasurer and Auditor.

The Board organized November 10, by the choice of Hon. Alanson W. Beard as chairman, when the first session was held.

Since that time, 79 appeals by corporations have been heard, with the result indicated in the accompanying table.

There have been some appeals by towns, in many of which the action of the Board was requisite to sanction a transfer of credits from one town to another, where all parties were agreed, and the parties for whose stock credit was claimed were shown to be residents of the appellant towns.

The accounts of the bank tax are kept in this office for the tax year, and in the Treasury for the financial year.

The following statement is made to reconcile the apparent disagreement: —

Receipts from bank tax for the year 1887 have been, .	$1,078,734 46
There has been certified due from the Treasury on same account, ...	477,682 07
Amount accruing to the Commonwealth, . . .	$601,052 39

To harmonize this with the Treasury, there should be added to this sum of	$601,052 39
Amount paid by cities and towns in equalization of claims in 1885,	41 38
Amount paid by cities and towns in equalization of claims in 1886,	705 55

Charitable and other institutions,	7,769 32	
Savings banks,	12,413 40	
		22,356 70

From this amount, there will be due to savings banks,	$88,784 96
Insurance companies,	32,013 61
Literary, scientific and charitable societies,	20,429 54
First distribution to cities and towns unpaid,	2,258 10
	$143,486 21
And there remains of bank taxes of 1887, unpaid,	1,792 40

Suits to test the legality of our statutes relating to the taxation of national bank stocks have been commenced; many cities and towns have again refused payment into the Treasury of their bank taxes, or have paid the same under protest. Distribution, as heretofore, of the bank taxes has been made to the cities and towns upon settlement of their State taxes, in all cases where the payment into the Treasury of such taxes has not been withheld.

Payment of amounts due to charitable and other institutions has been made, so far as the taxes have been paid without protest.

Savings institutions have been allowed and paid in part, that is, so far as the taxes have been received into the Treasury without protest.

These facts will account for the unusual condition of the bank statement as appears above.

Table "D," annexed, shows the net amount distributed to each city and town under the Act. Those amounts will be somewhat modified by the final adjustment of disputed claims.

Table "E" shows the amount collected in each city and town having a bank, on account of shares held out of such place.

Both these tables exhibit the amounts as determined upon the evidence furnished by the returns as received at first, and are to be modified somewhat by the corrections established by evidence subsequently produced before the Board of Appeal.

General Corporation Law.

During the year the Commissioner has examined 2,048 certificates, of which 255 required a re-examination after errors had been corrected, and three were examined three times.

Four hundred and fifty-one of these were certificates of organization, of which 360 had their certificates finally approved.

Seven have been refused approval upon legal grounds, leaving ten which have not yet presented their papers for re-examination and approval.

The four disapproved in 1886 have been approved.

The whole number of certificates presented and examined, including those presented as substitutes for certificates disapproved, is as follows: —

Public Statutes, chapter 40, section 16,	2
chapter 106, section 21,	190
section 22,	1

Total,	2,048

Fifty-eight corporations have completed their capital stock by transfer of property under section 48, chapter 106, Public Statutes.

Foreign Corporations.

By chapter 330 of the Acts of 1884, any foreign corporation having a usual place of business in this Commonwealth is required to appoint the Commissioner of Corporations its attorney, upon whom all lawful processes in any action or proceeding against it may be served; and also to file with the Commissioner a copy of its charter or certificate of organization, and a statement in regard to the amount and the payment of its capital stock.

Eight hundred and six companies have fully complied with these requirements, and fourteen others have complied in part only.

The total number of legal processes that have been served upon the Commissioner as attorney under the provisions of this Statute is 359. Of this number, 166 were served during the year.

Municipal Assets and Liabilities, etc.

Ships and Vessels.

By the provisions of sections 8, 9 and 10 of chapter 11, Public Statutes, ships and vessels engaged in the foreign carrying trade, above the net yearly income, are exempt from taxation.

Table F shows the valuation of such property, as returned to the assessors, to be $1,978,349; the net income, $89,023; taxable loss, $1,889,326; and the amount refunded to the cities and towns, $26,390.36.

Table G contains tabulated results of returns received

from all the cities and towns in the State, in substantially the same form as last year.

The same form of statement has been continued, as it furnishes opportunity for comparison with statements of previous years, and because, on the whole, it exhibits fairly the financial condition of the municipalities.

Table H has been prepared to show the percentage of debt to valuation for purposes of local taxation, and a column has been added to give sinking-funds where they exist.

In calculating these percentages, trust-funds have been omitted from the amount of debts in those towns where there is an asset of the same character, to the amount of such assets.

For convenience of comparison I have added to the tables a statement (Table I) of the indebtedness of the several municipalities for the years 1872, 1875, 1878 and 1887. In this table sinking-funds and trust-funds, to the extent of assets held, have been deducted from the outstanding debt of each municipality for all the years.

The year 1872 was the commencement of the present system of reporting assets and liabilities.

Upon comparing the tables for the past two years, it appears that one hundred and fifty-nine towns have diminished their net debt, eighty-eight towns have increased it, and thirty towns have neither increased nor diminished.

Seventy-two towns which had no debt last year have no debt this year; eighty-five towns have no debt this year against eighty-four which were in like situation last year.

The percentage of net debt has increased in seventy-four towns.

A synopsis of the aggregate valuation by the local assessors, aggregate net debt of municipalities and percentage of same, is herewith given, for the years 1871 to 1887 inclusive: —

YEAR.	Aggregate Valuation.	Aggregate Net Debt.	Percentage.
1871, ...	$1,497,351,686	$39,421,298	.026
1872, ...	1,696,599,969	45,221,745	.026
1873, ...	1,763,429,990	53,380,118	.030
1874, ...	1,831,601,165	64,904,069	.035
1875, ...	1,840,792,728	71,784,006	.038
1876, ...	1,769,359,431	72,165,156	.040
1877, ...	1,668,226,792	72,049,685	.043
1878, ...	1,568,988,210	68,864,685	.043
1879, ...	1,529,521,014	67,728,557	.044
1880, ...	1,584,756,802	68,512,927	.043
1881, ...	1,648,239,976	65,408,691	.039
1882, ...	1,684,213,423	62,782,507	.037
1883, ...	1,731,297,061	63,413,128	.036
1884, ...	1,756,879,778	63,595,568	.036
1885, ...	1,782,349,143	63,306,213	.035
1886, ...	1,847,531,422	63,585,220	.034
1887, ...	1,932,548,807	64,675,061	.033

The gross interest-bearing debt of the municipalities of the State was $97,056,635 on the first day of May, 1887.

If we assume the rate of interest to average 6 per cent., which is a safe average, the amount raised by taxation for interest alone, in 1887, was $5,823,398.

The aggregate net debt of the municipalities of the State for 1886 was $63,585,220; and for 1887, $64,675,061; showing an increase of $1,089,841.

The aggregate local assessment of taxes for State, town and county purposes in 1887 was $28,831,837, as reported by the Secretary. Of this, $2,250,000 was State tax, and $1,533,635 county tax; leaving $25,048,202 as the total local assessment for municipal purposes, being 86 per cent. of the aggregate tax.

The total amount of sinking-funds reported last year was $27,249,411; this year it is $29,219,257, an increase of $1,969,846.

The gross debt for water-works is $34,516,321; the amount of water sinking-funds reported is $8,294,743; leaving $26,221,578 net water debt, or 40 per cent. of net indebtedness. Brookline, being unable to state amount of water sinking-fund, is not included in this statement.

Chapter 133 of the Acts of the year 1882 provides that cities and towns required to establish a sinking-fund for the

payment of their indebtedness, may, instead thereof, provide for the payment of such indebtedness in such annual proportional payments as will extinguish the same within the time required by law.

Many towns, doubtless, have heretofore pursued the policy authorized by this Act. Such returns as have been received are given in Table H.

Steam Boilers.

Table K contains the result of returns under requirements of Acts of 1873, chapter 321, tabulated as in previous years.

Exempted Property.

Table L contains a tabulated statement of the facts contained in the returns received, in accordance with the requirements of Acts of 1874, chapter 227.

Only one town has failed to comply with the law. The importance of full and accurate returns of this character is felt very seriously, when examination is made into the effect of the tax laws.

Property Held for Literary, Benevolent, Charitable and Scientific Purposes.

Abstracts of the returns received under the provisions of chapter 217 of the Acts of the year 1882 will be found in Table M, showing the aggregate value of real estate to be $22,500,853, and of personal estate, $28,328,801; total, $50,829,654. Showing, also, the income of the several corporations for the year ending May 1, 1887, $6,364,867, and the expenditures, $6,088,382.

Very respectfully,

CHAS. ENDICOTT,
Deputy Tax Commissioner.
